

Annual Rubbish Skip Clean Up

Saturday 7th – Sunday 8th February 2026

Dear Residents

The annual garbage skip clean-up has been organised again this year to allow residents to remove any unwanted items that maybe stored in their basement storage area or units. The skip bins will be positioned on Bowen Drive to allow residents to dispose of any unwanted hard waste.

As per last year, the skips will be positioned near the refuse compound at the rear of 3 Bowen Drive. This location is out of the way of traffic and is not visible to non-residents. (see marked in red on the below map)

Do not dispose of any oils or mattresses in the skip

Kind Regards
Canberra Strata
